

Privacy Policy

Better IEPs

Effective Date: January 1, 2026

1. Information We Collect

We may collect your name, email address, phone number, general descriptions of your child's educational situation, and communication history. We only collect information reasonably necessary to provide educational consulting services.

2. How We Use Your Information

Your information is used to respond to inquiries, provide consultation services, communicate regarding services, and maintain business records. We do not sell or share your personal information.

3. Use of Artificial Intelligence (AI)

Better IEPs may use AI tools to assist with drafting communications, organizing notes, and generating educational materials. We do not upload personally identifiable student records such as IEPs, evaluation reports, or progress reports into AI systems. All AI-assisted materials are reviewed by a human before being shared.

4. Data Storage & Security

Client information is stored in Google Drive using industry-standard encryption and protected by two-factor authentication (2FA). Access is limited to Better IEPs personnel. While no system guarantees absolute security, reasonable safeguards are in place.

5. Confidentiality

Better IEPs treats client information with professionalism and discretion. Information will not be disclosed unless required by law or authorized in writing.

6. No Legal Advice Disclaimer

Better IEPs is an educational consulting service and not a law firm. Nothing provided through consultations, written materials, or communications constitutes legal advice. For legal representation or formal legal opinions, families should consult a licensed attorney.

7. Your Rights

You may request to review, correct, or request deletion of the personal information you have provided. Requests may be submitted to Damon@BetterIEPs.com.

8. Changes to This Policy

This Privacy Policy may be updated periodically. The most recent version will always be available on our website.
